¹ According to M.G.L. c. 176M §1 a “closed plan” is defined as a “nongroup health plan issued by a carrier to a natural person for said person, as well as any covered dependents, prior to the first day of the first open enrollment period” (October 1, 1997).

² Carrier notified the Division that an increase in subscribers in 2005 was due to policyholders moving into Massachusetts during the calendar year.
